Recommendation Letter

To whom it may concern,

We had the opportunity to work again with Mrs. Patricia Herron from éditions pat. H on our new city maps.

We have worked with her several times during the past and this time it was again a pleasure to work together. The communication is clear and efficient; she knows exactly what we need and transforms her ideas to a quality city map.

In Thon Hotel EU we have up to 180 000 guests per year divided by our hotel rooms and conference center. We are always looking for the best products for our guest and it is always a pleasure to handout the city maps towards our guests.

I would like to thank Patricia for the smooth cooperation and we are happy to use her services in the future again.

Sincerely yours,
